

## Flowmaster Bulk Loader (Inserter Series)

### Overview

The Sure-Feed Bulk Loader creates high-capacity product loading into existing production streams where high-speed operation requires constant reloading of materials. Ideal for the Pitney Bowes FlowMaster® Inserter, the Bulk Loader will provide extend periods of run time before reloading is required. It is available in 6 and 9 foot lengths, is completely stand-alone, and easy to operate.

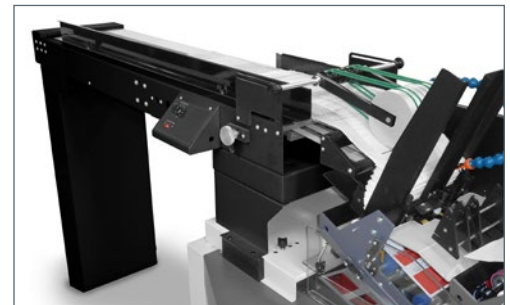

### Standard Features

- Tool-less adjustable belts
- Tool-less adjustable product guides
- Precision product handoff
- Variable speed
- Easily interfaces to Pitney Bowes FlowMaster® Inserters
