

P-1250 Pneumatic Dropper (Batch Counting)

Overview

Designed to replace manual counting, spearing, and weighing, the P-1250EX Pneumatic Dropper is packed with many features that make it the best value in the marketplace today. Tool-less, quick make ready adjustments and versatility makes this the perfect automatic batch counting feeder system for operations pursuing increased productivity at an affordable price.

Feed a wide variety of flat and multi-thickness products into shrink wrappers, poly baggers, banders, collators, case packers, boxes, and more. Operates on-demand at rates up to 60 packages per minute.

Standard Features

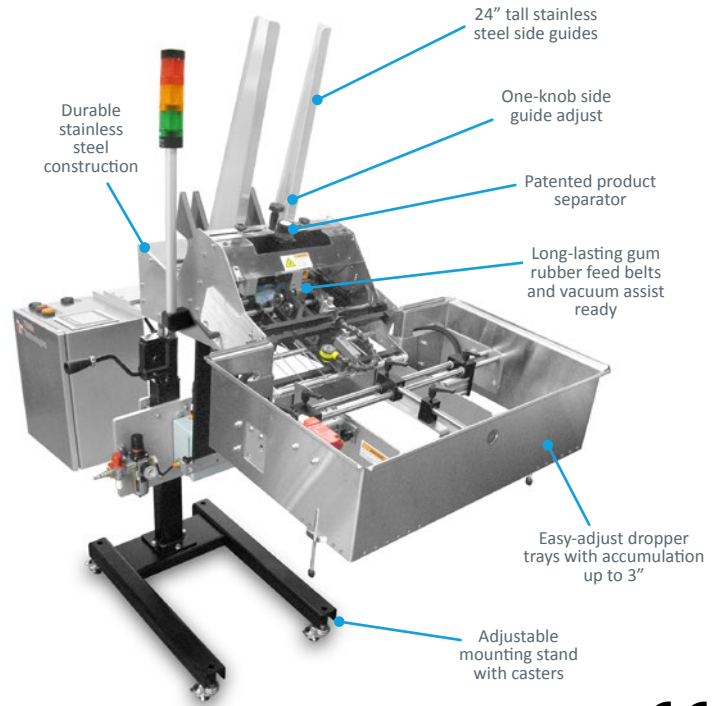

- Long-lasting natural gum rubber feed belts • Vacuum assist ready
