

SV-1200 Retractable (Batch Counting)

Overview

High-speed, high-performance batch count feeding designed to increase productivity. The SV-1200 Retractable Dropper System is packed with many features including servo motors/controls making it the perfect high speed solution for batch counting. Tool-less, quick make ready adjustments and versatility reduces setups and changeovers thus maximizing productivity.

Feed a wide variety of flat and multi-thickness products into shrink wrappers, poly baggers, banders, collators, case packers, boxes, and more.

Standard Features

- Long-lasting natural gum rubber feed belts • Vacuum assist ready
- One-knob side guide adjust • System Interface I/O package
- Patented powered separating technology • Tool-less setup and changeovers
- Easy-adjust dropper • Heavy-duty adjustable mounting stand with casters
- Self-adjusting discharge hold-down
- Variable speed control • Batch counting up to 1.5 inch stack height
- Timeout stop • High-performance photo-sensors • 3-color tower lamp
- HMI interface
